

PRAYER FOR THE 2025 INAUGURATION OF PRESIDENT TRUMP AND THE TRANSITION OF POWER

Heavenly Father, we come this weekend as believers of Christ in this nation, to lift up our president, Donald J. Trump, and the inauguration of his presidency. As many evil forces have risen up against this confirmation, we lift our voices to stand in agreement with heaven's purposes in this hour. Because of our collective vote and voice, we know we have heaven's authorization to overturn any right the enemy may claim to disrupt this change of administration and rule.

We declare that this transition of power will succeed without delay or disruption and that every plot and scheme of the enemy would fail. May Your enemies be blinded in their steps and immobilized in their plans. May every plan to circumvent and hinder this inauguration and subsequent rule be stopped and rendered useless and without power. Because of our collective faith and trust in You, we thank You for the increased fear of the Lord that has fallen upon this land and the enemies of our God. Thank You for causing the opposition to tremble and shrink back due to the presence of Your mighty hand that is bringing true justice and righteousness back to this nation.

We bless the angelic armies that have been stationed around President Trump's administration and all the ground forces assigned to his detail. May they know they are backed by a heavenly host that far outnumbers any enemy threat. Even as they fulfill their duties to serve and protect, may they be awakened to Your presence and activity. May the power of Your Holy Spirit be tangible to all who have been assigned to administrate this process. We declare that none will be harmed, injured, or thwarted in their assignments, but rather strengthened and empowered from on high to perform their duties with speed and effectiveness.

Over those cities and jurisdictions where the enemy has laid claim, we declare that any plans of wickedness or destruction would be quickly exposed and extinguished. We declare safety and protection for all our citizens and freedom from enemy threats and attacks. Empower Your people to stand firm in faith and resolute in bringing righteous administration back to the land. Empower governing leaders to walk in the fear of the Lord, to do what is right, and rule without hesitation. May every demonic assignment and scheme become dust and ashes in the presence of a holy God.

We declare that President Trump will rule in the midst of his enemies, not backing down or wavering due to threats or intimidation. May his ears become deaf to the assaults from his enemies and may those who seek his life answer to You for their wicked ways. Thank You for placing a shield about him and his family, preventing any attacks or assaults to touch them. May President Trump know that it is Your hand and Your sovereign purpose that is keeping him and sustaining him in his divine commission. We declare that he would show no fear towards evil, but overcome it with a zeal and passion for Your laws which bring life and liberty to all. We thank You that his heart is in Your hands and that You will direct it according to Your will and purpose.

Bless and empower all who have been elected and called forth to align with Your will in bringing truth and justice to this nation. Thank You for answering our prayers and going before us to deliver this nation from evil. May this inauguration be marked by Your presence and demonstrate the will of a holy God. May this nation be blessed once again to shine forth Your light and demonstrate that our hope and trust is anchored in You, alone.
